94th YEAR No. 15

FIFTEEN CENTS

**CLASS IDENTITY DAY** — Antioch Community High School students participated in dress-up day as part of homecoming's Spirit Week. Freshmen dressed like people from space; sophomores were Sequoits; juniors wore jocks and seniors were senior citizens. They are, from left, Judy Nering, Sue Apostol, Ruth Maplethorpe, Janet Colson, Laurie Otrusina, Beth West, Rose Graas, Darell Thompson and Jim Webb. — Photo by Jane Polzin.

## Affect of village growth awaited by Emmons

by JANE POLZIN

The impact of Antioch's southward growth is expected just around the corner, but it's not known how far away that corner is.

So far three subdivisions near Emmons School, all in different stages of completion, have not had an impact on enrollment, said Emmons Supt. John Kakacek.

Enrollment numbers have "remained pretty much the same" since 1976, when 206 students were registered. Fluctuating by about five students since that time, the number has changed little, as shown by this year's enrollment of 206.

**THE HOMES** in the nearby subdivisions will tend to be expensive, he noted. Subdivisions in the county are required to have 40,000 square foot lots and sewer and water connections must be made.

"There is a feeling that people with primary (grade) children...may have difficulty purchasing this type of home and maintaining it," Kakacek said. I don't know how much truth there is to that," he added.

"It is my understanding that dollars are getting tight and the interest rate is going up — another barrier toward young people," he said. "It is my understanding that land values in Lake County are quite high."

According to a study by the Northern Gas Co. of Illinois ten years ago, there was to be no open land in Lake County at the present time, Kakacek said. "It never took place. Millburn anticipated a great growth and it didn't take place."

**IF ONE OR TWO** large subdivisions were developed in the area, the "impact on the school could be monumental," he said, citing the size of Lindenhurst's Americana Heights subdivision.

"There is a lot of farmland and open space in the district that has potential for subdivisions, but I think the climate has to be right for it," Kakacek said.

"Dollars have to be available and the cost of what is being sold has to be in reach," he explained. "From what I've seen, those two things haven't occurred."

## Southward growth not here yet

Until sewer and water connections become available south of Antioch, the development of large parcels of land in that area is not anticipated.

"This could change at any time, depending on the development," said Mayor Michael J. Haley.

"The developer stands the cost of putting in all the utilities," he explained.

Another possibility for the developer would be to wait for the county sewer system to come north from its present stopping point at Deep Lake Rd. and Rte. 59, he said.

At this time, a timetable has not been set for the expansion of the county sewer system, he added.

## Clean up time is here again

The second clean up week of the year in Antioch is underway, with curbside pickups being made through Oct. 19.

Residents are asked to help by placing debris in boxes or bags, stacking and bundling branches and placing them on the curb all at one time, said Walter Shepard, supervisor of public works.

The big task of clean up week is undertaken "as a service to the village," he said. Antioch is one of a few villages that tackles the job twice a year, he added.

## Residents to hold second annual community night

Antioch residents will have an opportunity to become acquainted with people serving the community at the second annual Community Awareness and Voter's Night Oct. 17.

The event will be held from 7-9 p.m. at the Antioch Community High School Commons.

The theme for the evening is Meet the People Who Serve You and was planned to acquaint the people of the village and township with the many organizations and people serving Antioch.

Representatives of the village, township, county and state will be present, along with many organizations. They will bring with them information and insight as to how they function within the community.

Free refreshments will be available.

## School district requests delay for channalization

The Antioch Grade School District has filed a request with the Illinois Dept. of Transportation (IDOT) to delay issuing a permit to the village for the channelization of Sequoit Creek.

The school district is hiring a hydrologist to study the proposal to ensure that there will be no adverse affects to the school or its property, said Grade School Supt. Donald Skidmore.

The village has proposed channelization to help alleviate some of the flooding problems along the creek.

According to Skidmore, the district is concerned whether water will back up on school property because of volume and speed of the water.

Skidmore said the district "is not opposed to the project per se, as long as it doesn't have any negative impact on school property or the building."

The district is seeking a reasonable amount of time for the study and will share results with the village and IDOT, he said.

Mayor Michael J. Haley said he anticipated a public hearing on the channelization "to iron out all the objections."

## Lions to sponsor mini health fair

The Antioch Lions Club is sponsoring a free mini health fair from 10 a.m. to 2 p.m. Oct. 21 at Antioch Community High School.

Eyesight screening for persons age three or older will include vision testing, depth perception, hyperbola, muscle balance, visual fields, color perception and Glaucoma.

Local optometrists will perform the eye examinations.

Health service tests for high blood pressure, chest X-ray, mobile hearing screening and diabetes will also be available.

Diabetes testing will be conducted by College of Lake County staff and students and Lions Club members will perform hearing tests.

The American Heart Assn. and the American Cancer Society will be represented.

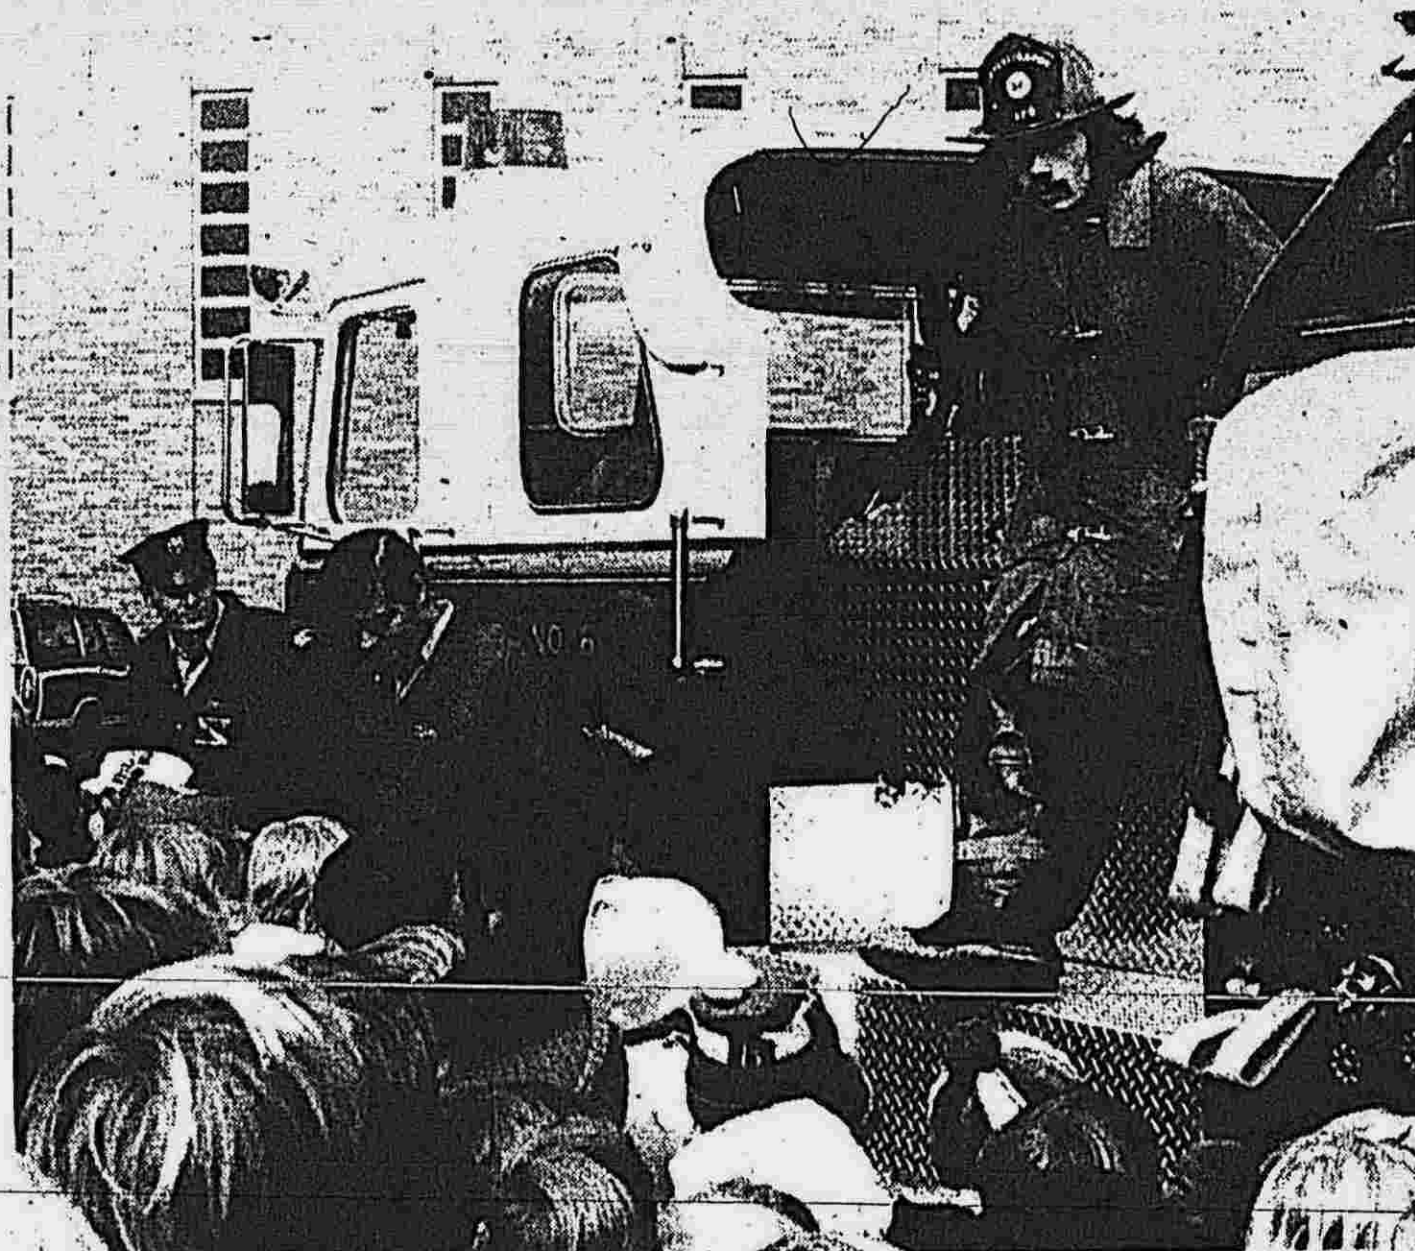

Substance abuse information as well as cancer prevention and checkup information will also be featured.

"Anything less than your health at its best is a mental or physical handicap," a spokesman reported.

## ACHS Homecoming was main event

See Pages

6 and 7

**HELP PREVENT FIRES** — Students in Antioch schools got a special lesson in fire prevention as Antioch firemen spoke to youngsters, held fire drills and checked schools for safety. Fireman Paul Maplethorpe, on truck, explained to Emmons students what to do in case of fire. Firemen Tom Borla, left and Lenny Sakalowski, right, assisted.

## Three join Sequoit Auxiliary

The Sequoit Auxiliary VFW held its regular meeting Oct. 8.

Three new members were accepted into the organization. They were Dorothy Young, Penny Soulak and Carol Jurgansen.

Jerry Kuck, 5th district president made her visit and inspection. She gave much praise to the organization for becoming first in the district to be 100 per cent in membership.

A \$15 donation for canteen books was sent to North Chicago Medical Center. Betty Davis reported that the organization's flags were in the homecoming parade.

Tickets were purchased for Ellen Flint and Betty Davis to attend the Kick-off dinner on Nov. 24 in Dundee.

Myra Randall served refreshments. The next meeting will be Nov. 12 at 7 p.m.

## Airplane, squad car stop van

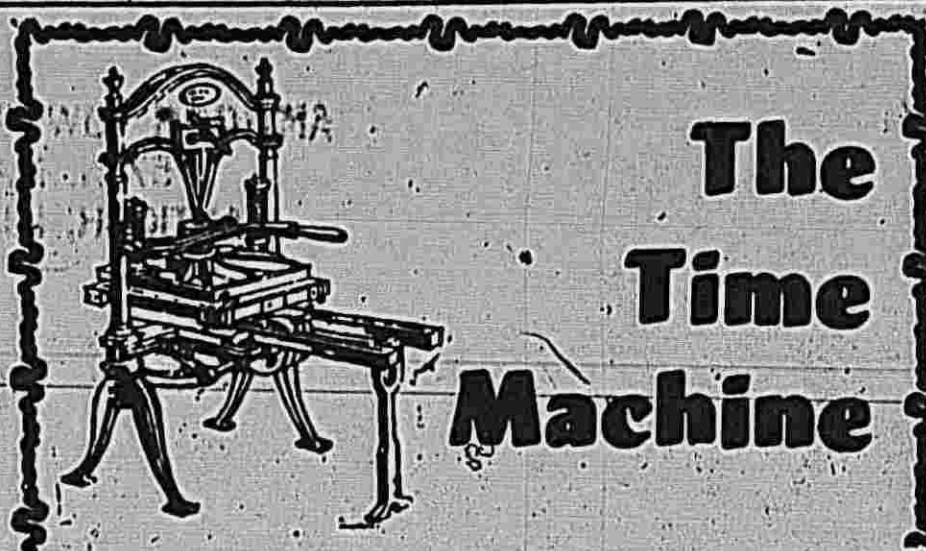

An Antioch police squad and an Illinois State Police airplane worked together to apprehend four juveniles in a stolen van west of Antioch.

Antioch police officer Ron Allen received a radio message from the air plane while on patrol in a squad car, said Antioch Police Chief Chuck Miller. The plane was observing a van heading west on Rte. 173 toward Antioch.

A license plate check identified the vehicle as being stolen. Allen followed the van, which was reported stolen earlier that day.

The juveniles were apprehended and turned over to state police.

"It was an excellent piece of police work between state and local police due to good communication," Miller said.

50 YEARS AGO: OCTOBER 17, 1929

Abundant supply of the purest water for laundry purposes to be found in the entire locality was assured yesterday when pumps at the new well for the Chain O'Lakes Laundry and Dry Cleaning company were lifting more than 70 gallons per minute in a two hour test. The well was brought in by Contractor Henry Boysen, Jr. The nation this week is honoring Thomas Alva Edison on the fiftieth anniversary of his invention of the incandescent lamp.

"Bill", a dog who walked from New York to Los Angeles and is on his return hike with his master, Don Smith, wears specially made wool-lined shoes that protect his paws from the hard and rough roads. He gets about 900 miles out of a quartet of shoes.

Sheriffs of Illinois must enforce the provisions of an act in regard to aviation passed by Gov. Emmerson. The new rules require a pilot's license, various provisions as to height of flying, stunting, carrying passengers, etc.

Miss Louise Simons, who was graduated from the local high school as salutatorian of her class last June, has accepted a position in the State Bank. She succeeds Mrs. Margaret Webb.

As the result of showing exceptional ability, the Antioch High School Dairy and Livestock Judging team won first place in competition. Harry Johnson won a silver trophy in dairy judging. Other members of the team include Homer Edwards and Lloyd Atwell. Clarence Galiger, Homer Edwards and Howard Mastne were winners in the livestock contest, Galiger being high man.

The Antioch Business Club is promoting the construction of a modern combination hotel-theatre. A total of approximately \$240,000 being the estimated amount necessary to acquire the real estate and erect a hotel of 60 or more rooms and a modern theatre of 1,000 or more capacity.

30 YEARS AGO: OCTOBER 13, 1949

Laurel Van Patten was chosen president of the Antioch Volunteer Fire Department for the coming year. Elected along with Van Patten were C. E. Hennings, Clarence Shultis, George Garland, Einar Petersen and L. R. Van Patten.

Fire Chief Jas. McMillen urges all residents of the community to co-operate fully in helping to prevent fires and especially to clean up fire hazards during National Fire Prevention Week.

Complaint is again heard this year that people who spend the summer at cottages at the lakes fail to take their pets home with them. James Smutney of Felter's subdivision said that a cat and four kittens that had been left behind made their way to the Smutney cottage.

His Eminence Samuel Cardinal Stritch will preside at the dedication of St. Peter's School on Sunday, Oct. 16.

More than 10 years of intensive research by a Lake County resident, Dr. Donald Cook, has resulted in a book that has been acclaimed by medical journals at home and abroad. It promises to become the classic solution to ulcer problems.

10 YEARS AGO: OCTOBER 16, 1969

"The Odd Couple", to be presented Oct. 17, 18, 24 and 25, will be the last play given at the PM&L Theatre, Main St. Future performances will be seen at the Antioch Country Club.

Laura Oftedahl, A.F.S. student president, reports that the students are enthused about the attractive Christmas note cards they will be selling to raise money for the American Field Service scholarship program.

Lake County Coroner Orville S. (Pat) Clavey announced this week that he will be a candidate for sheriff in the March 17 primary election.

From Annie Mae... PM&L enjoyed their most successful awards night with a large crowd. Everyone was delighted with the choice of Gary Richter for the Mr. Thespius award.

Nine couples from Antioch held a meeting of production men in Sterlingworth, Wis. Among them the Oftedahls, Mapethorpes, Endries, Loefs, Wegners, Jandulas, Knigges, Norths and Pyes. It must have been quite a surprise for Ted to have the Saints go marching through his room at midnight!

Antioch High School homecoming queen candidates are Jan Strahan, Debbie York and Barb Geiger.

## Antioch Homemakers set for arts, craft show

Antioch's Lake Region Homemakers Chairman Lally Maloney and Co-chairman Jean Proctor of the arts and craft show invite the public to spend a day at the show.

It will be held at the Lake County Fairgrounds in Grayslake Wednesday, Oct.

24. Homemakers have 26 units. The organization is conducting a membership drive. It is affiliated with the Lake County Cooperative Service and the University of Illinois. For information, call the extension office at 223-8627.

## Nearby satellite work underway

Excavation is under way on the St. Therese Area Trauma Satellite (STATS), a \$1.5 million facility which will provide Antioch residents with nearby emergency medical assistance.

The satellite, located at Rtes. 59 and 132, will provide emergency treatment and patient stabilization prior to continuing transport to the hospital of the patient's choice.

TRANSPORTING PATIENTS in critical condition on local two-lane highways through a number of congested communities wastes time, energy and money, according to St. Therese authorities.

The approximately 8,300 square foot building will contain an x-ray unit, stat lab, telemetry (radio communication) equipment and other medical supplies for dealing with emergencies.

It will be staffed by the same group which operates the St. Therese Hospital emergency room, the Northern Illinois Emergency Physicians.

The expected date of completion is June, 1980.

"OUR SISTERS and staff stand ready, willing and totally committed to fulfill our obligations and exercise our role as a leader in bringing expanding quality emergency health care to the most rapidly expanding population-growth area in our state," said St. Therese President Sr. Maryann.

The satellite should not present a conflict to the practice of local physicians, according to information from the hospital.

"The need to establish this facility has been evident for several years. We are reaching out to that need," the information stated.

## Village, rescue squad look to satellite

The St. Therese emergency satellite is receiving favorable billing in Antioch.

"I anticipate the rescue squad will certainly be willing to use it for at least some types of injuries," according to Rescue Squad member David Heath, but "there is no set decision yet" concerning use of the facility, he said.

"It would certainly help a lot in cutting down on the length of runs."

The squad, which handled over 900 calls last year, receives "a lot of house calls — calls of all kinds," he added.

Mayor Michael J. Haley said that "from the standpoint of the village, the satellite is a good thing."

"We've needed an emergency care facility in this area for quite some time and I'm happy to see it coming."

## Bishop to join in festival

The Rt. Rev. Quinton Primo, Suffragan Bishop of Chicago, will visit St. Ignatius Church Sunday, Oct. 21.

He will celebrate and confirm at the 9:30 a.m. Eucharist.

Bishop Primo will meet with the vestry and members of the parish and will share in the Patronal Festival of the church and the 61st anniversary of its founding.

## 2 students dismissed from ACHS

Two students were expelled from Antioch Community High School for "breaking school rules and regulations."

That statement was made by ACHS Supt. Warren Polley, who described the dismissal as a "temporary termination — not final in the long run."

The students will be eligible to re-enter school in the summer fall, he added.

## INSURANCE INFORMATION

Our son, age 16, has received several traffic citations for speeding. Can the company which writes our Family Automobile Policy cancel the coverage at their own discretion?

Not immediately, unless the policy is new and has been in effect for less than 60 days. In most cases, if the policy has been in effect for longer than 60 days, the company must give you a 30 day written notice of their intention to terminate the policy. The only way an existing policy can be cancelled immediately (provided it meets the 60 day requirement) is for the cancellation to be mutually agreeable to both the company and the insured.

## Names in the NEWS

**Navy Electronics Technician 1st Class John T. Menheer Jr.**, son of Mr. and Mrs. John T. Menheer Sr. of Lake Villa, returned from a deployment in the Western Pacific.

He is a crewmember aboard the guided missile cruiser USS Horne, homeported in San Diego. While deployed his ship operated as a unit of the U.S. Seventh Fleet.

During the seven month cruise, his ship participated in several training exercises with other Seventh Fleet units and those of allied nations, including "Team Spirit," a joint U.S. Republic of Korea amphibious exercise. The ship also participated in joint operations with the Japanese Maritime Self Defense Force. Port visits were made in Japan, Thailand, Hong Kong and the Philippines.

The Horne is 547 feet long with a crew of 418 officers and enlisted men. It is outfitted with guns, missiles, torpedoes and an anti-submarine rocket launcher.

A 1960 graduate of Grayslake Community High School, Grayslake, Menheer joined the Navy in July 1960.

## Bazaar to come

The Lakeland Welcome Club's bazaar, A Fair for All Seasons, is now less than two weeks away. All of the items to be sold, except on the white elephant table, have been handcrafted by the club members over the past six months.

Featured will be a full-size Christmas tree adorned with hundreds of original hand-made ornaments, a one-of-a-kind gingerbread house to be given away, fall scarecrows for door or wall and hundreds of other gift items for all ages, all occasions and all seasons.

Remember to reserve Friday, Oct. 26, from 9 a.m. to 9 p.m. and Saturday, Oct. 27, from 9 a.m. to 1 p.m. and to join us in the festivities at the American Legion Hall in Gurnee, at the intersection of Rtes. 21 and 132 (Grand Ave.).

## Cleven and Walsh chair United Way fund raiser

Peter J. Cleven, President, First National Bank of Antioch and Frank W. Walsh, Jr., Foreman, Commonwealth Edison, Co.,

are teaming up to head the United Way of Lake County campaign in Antioch. Cleven is responsible for contacting approximately

eight industrial firms in the Antioch area for their support. He has a goal of \$2,284 which comes from both company gifts and contributions of individual employees.

Walsh is spearheading the drive to contact area businesses, with a goal of \$1,100. Both Walsh and Cleven are members of the United Way of Lake County Board of Directors.

## University women to hold potluck

A glass of wine, good food, good friends — what more could one ask? The Lindenhurst Chain-O-Lakes branch of the American Assn. of University Women will hold its second annual potluck dinner, 7:30 p.m. Saturday, Oct. 20.

Barb Carey will be the hostess of this event in her home, 417 Brittany Ln., Lindenhurst. It was such a success last year it was unanimously voted to be held again this year. Husbands and friends are invited, with each member bringing a dish to pass. Members

wishing to attend should call 356-6345 for further details.

In other AAUW news, the general meeting will be held 7:30 p.m. Thursday, Oct. 25, at the Lake Villa Township Hall, corner of Grand Ave. and Fairfield, Rd. Lake Villa. Members will meet at the Community Room. A sidewalk leading to this room is on the right side of the township hall.

The topic will be "What AAUW Can Do For You." All women with a bachelors degree from an accredited college or university are invited to attend.

### PATTERNS ON PARADE

The Lake Region Homemaker's are planning their annual dinner and fashion show. The theme will be "Patterns on Parade" and will be held Wednesday, Nov. 7 at Andre's in Richmond. All garments modeled will be handmade.

Last year, over 3,800 Antioch residents received help from one of the 32 United Way funded agencies. These services include individual, marital and family counseling; nutritional meals and activities for senior citizens; treatment of alcoholism; crisis intervention; first aid training and adoption and foster care placements.

One of the United Way agencies, Family Service of North Lake County, opened a branch office in Antioch this past February. It is located at 876 Hillside St. Another agency, Chain of Lake Senior Services, houses a senior center at 848 Main Street.

Overall goal for the 1979-80 United Way of Lake County campaign is \$1,546,120. To date, \$511,691 has been raised, representing 33.1 per cent of the goal.

## Along the way with ANNIE MAE

Congratulations to proud grandparents Joyce and Robert Anderson! Tiffany Marie Anderson was born to Mr. and Mrs. Robert Anderson of Prospect Heights.

The little sweetie weighed 8 pounds, three ounces when she was born Sept. 30 at Lutheran General in Park Ridge. The lucky infant's other grandparents are La Verne and Robert Lorch of Morton Grove.

All of her long-time friends throughout the Antioch area are hoping Lillian Ackerman won't be returning to her Florida winter home too soon. She's a joy to be with and such a gracious person. Her family helped write a good bit of the history of our community.

**LET'S HEAR IT for the Sequoits!** That was a fantastic homecoming game!

It was great to see such spirit and enthusiasm. Everyone worked so hard and did such a fine job. And the homecoming court was delightful.

The young men of Grass Lake Boy Scout Troop 80 asked me to remind everyone about their All You Can Eat Pancake Breakfast.

The time to remember is from 7 a.m. to 1 p.m. Oct. 28 at the

Grass Lake School.

Donation for the satisfying meal is \$2. Senior citizens will be charged half price and children age five years and under will be admitted free.

Let's not forget Community Awareness and Voter's Night from 7-9 p.m. Wednesday, Oct. 17.

This is the night when villagers and township residents get together to become acquainted with community leaders and organizations.

Main Secretarial has officially moved into new offices, an attempt to beat inflation and stay close to home...sometimes. Pat Sershon reports the dust has settled and even though remodeling is still going on, work is being handled with Main's usual efficiency.

Pat says the new location is easy to find, just off Grass Lake Rd., half way between Antioch and Fox Lake. All you have to do is give them a call for directions and to make sure someone will be available in the office and "it's business as usual."

If you've been wondering what to do with those unwanted items in your old trunk, as I have, the Dept. of Public Works has the answer.

They'll be picking up trash packed in bundles and placed along the curb until Friday, Oct. 19.

We heard that Tom and Louise Santino tossed a delightful cocktail party to honor the winners of the Antioch Open played at Harbor Ridge Country Club and recognize committee members that made the tournament a success.

The party started early and ran late because everyone was having so much fun. Late stayers were treated to pasta prepared by Antioch's "pasta king." If he went into the business, he would be a success for sure.

## Fair to feature Christmas crafts

Creative holiday ideas will again be shared at this year's Kenosha County Extension Homemakers Christmas Fair. The theme for this year's fair is "Christmas - In the Making." All are welcome to join in the festive holiday preparation.

The fair will be held Thursday, Oct. 25 from 11 a.m. to 9 p.m. at Central High School, Paddock Lake, on Hwy. 50.

Some of the sights at the fair will include demonstrations by homemakers on making calico wreaths and stuffed-tuffed Christmas tree skirts. Many other decorative, useful and gift giving ideas will also be shared by the homemakers.

Each guest will receive a booklet with complete instructions for the ideas shown. During the entire fair, guests will also be served homemade Christmas cookies, coffee and tea.

The fair features several demonstrations by Genevieve Griffin, director of consumer education, Oster Company entitled Foods for Entertaining. She will demonstrate how to plan, make and freeze foods ahead for Christmas entertaining.

Another outstanding feature of the fair is the art show featuring work done by the homemakers.

Children always enjoy the very large Christmas tree decorated with handmade ornaments and are anxious to meet and talk to Mrs. Santa Claus.

All proceeds of this event go to the Extension Homemakers Scholarship Fund.

Planning the fair this year are Eudora Bach, chairperson; Sandy Callahan, Cheryl Johnson, Rosemary Johnson, Barb Bolton, Linda Gallagher, Clara Reck and Bea Marion.

A newspaper dedicated to people marching to their own drummers.

# 1952 was good year for Antioch rescue

by JANE POLZIN

It was in 1952 when Antioch's present rescue squad building was raised, back when polio was making front page headlines and the community was still without dial telephone service.

Donations from private individuals and organizations saw the structure through to its completion.

Antioch's Lions Club Rescue Squad Committee sought funds for the 32 by 65 foot building, which would adjoin the fire station at the intersection of Orchard and Toff (then Broadway).

Each year the committee raised funds to support the rescue squad and had placed money in a building fund.

A NEW LOCATION was sought for the two rescue squad vehicles because the village needed the space where they had been kept for offices.

Plans for the brick building included a meeting room, small kitchen, shower room and two overhead doors for the first aid trucks.

The new building cost \$18,000. A 20 year lease was provided by the village for its construction on village property.

The Lions began their ambitious campaign by sending out 3,500 letters seeking donations. "The donors are asked to be as generous as possible, as a substantial amount will be needed," read a July 17 article in the 1952 Antioch News. "In the past the donations have brought in several thousand dollars."

BY SEPTEMBER, contributions came in with "marked regularity," according to the paper.

As the building neared completion, plans for its operation were finalized. The fire department and rescue squad decided to share the heating cost of the adjoining buildings, which shared the same heating system.

The rescue squad board gave the police department permission to place its squad car in the village hall building when it was vacated by the rescue trucks until the village was ready to remodel.

Finishing touches were made on the new building and the community began to prepare for the grand opening Nov. 11.

"DECORATORS HAVE

## School to hold open house

The Grass Lake School Board will hold an open house from 2-4 p.m. Oct. 21 at the school.

The public is invited to see the results of the school's renovation program. A new cafeteria and media center are two examples of the work that has been done.

The school board approved sending two representatives to the Illinois Assn. of School Boards Convention in Chicago. Richard Hogan, Grass Lake School supt. and board member Mary Beth Walsh will attend.

been working nights to get the new Antioch Rescue Squad Building in readiness for the opening," according to a November news article.

Invitations were sent to Lake and Kenosha County rescue squads and firemen as well as county officials.

Entertainment for the evening included dancing to the music of Chicago's King Jaros' Gold Coast Orchestra. A bar was set up and refreshments served throughout the celebration.

The newspaper account of the event described it as a

"most successful open house."

"A crowd of more than 500 persons packed the new building and the adjoining fire station during festivities," it reported. Guests were received by uniformed members of the rescuesquad.

"They started coming a half hour before the appointed time and kept coming until late in the evening in such numbers that we could hardly get them in the building," said Capt. Herman Holbek of the rescue squad.

## Emmons to look at intercoms

The Emmons School Board voted to send two representatives to the Illinois Assn. of School Boards convention in Chicago.

The representative will examine sound system displays with "the idea of purchase" in mind, he added. The school is seeking an inter-room communication system.

Men's and women's sports nights were approved by the board, which made the school gym available for use by men on Monday nights and by women on Wednesday nights. Gym hours are from 6-9 p.m.

**THEME WINNER** — Ken Jandula was presented with \$50 bond by Maryanne Kaht, mortgage loan officer of State Bank of Antioch. His winning entry was 'The Main Event.' Bank has sponsored annual contest for past 12-15 years.

**IT'S IN THE AIR** — Antioch High School Marching Band shows its stuff during homecoming performance. Rifle drill showed prowess of prize-winning

Marchers. Band made successful performance, as did Sequoia, who whipped Grayslake 49-0.

## "Better than interest on checking"

Want to reduce your cost of monthly check writing? With Smart Saver, you can. If you keep both your savings account and your checking account with us, we'll reduce the cost of your checking account. For most people, this is better than earning interest on checking.

### IT'S SMARTER TO DO ALL YOUR BANKING WITH US

Some people keep their checking at one bank and their savings account elsewhere. With the Smart Saver Checking Account, it is smarter to keep both checking and savings with us. Because with the Smart Saver Checking Account, your savings earns interest and qualifies you for discount on your checking account cost. So, your savings account is working doubly hard for you—earning interest and reducing checking costs!

### IT'S MORE CONVENIENT, TOO

Smart Saver will also save you time. No longer will you have to run from one financial institution to another. With Smart Saver, you've got all your accounts in one convenient place.

### STOP IN AND OPEN A SMART SAVER CHECKING ACCOUNT

Take advantage of the Smart Saver Checking Account—now! We'll be happy to show you how much Smart Saver can save for you.

# Your Guide to Fine Dining and Excellent Entertainment

## THE Entertainer

**GOOD JOB**—Antioch High School football Coach Steve Wapon congratulates Howell Fox, 2, on nice run during Sequoia's 49-0 homecoming victory over Grayslake Saturday, Oct. 13. Sequoia travel to Wauconda for 2 p.m. game Saturday, Oct. 20. Antioch

is currently in three-way tie for first place in Northwest Suburban Conference with 3-1 record. Sequoia freshmen are also in first while sophomores are in second.—Photo by Jane Polzin.

## Football contest winners told

George Schoenleben took first place in the Antioch News Football Contest this week, choosing Antioch Community High School to win its homecoming game by 34 points.

A \$15 gift certificate from Barnstables will be his reward.

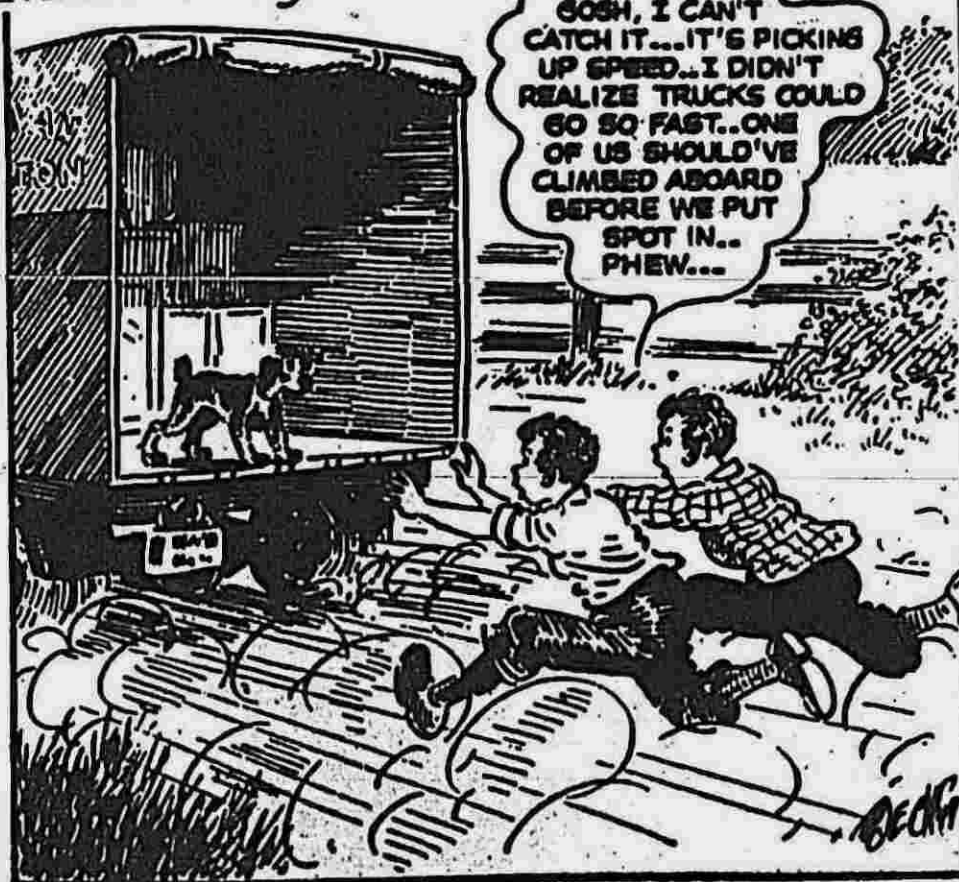

Second place was a close one, again with the tie breaker determining the winner.

Both Mary Jane Huebner and Donald Skidmore picked Antioch to win by 24 points, but Huebner picked the Patriots over the Bears by 14 and Skidmore favored the Bears by three.

Huebner will receive a \$10 gift certificate from Lyons-Ryan Ford for her second place entry. Skidmore is the winner of a \$5 gift certificate at Antioch Auto Parts.

Have A  
Happy  
Day!

Memory Lane

## Haunted house is planned

Antioch Jaycees have been burning the midnight oil to get their haunted house in shape.

It will be open from 7-11 p.m. Friday, Oct. 26 and from 8:30-11 p.m. during the evenings from Saturday to

Wednesday, the 31st. The house can be found just west of the State Bank.

Cost for the fundraiser is \$1. A McDonald's Restaurant coupon will be awarded to the first 2,000 to survive.

Phil Schaub, chairman of the event, said the Jaycees think it will "go over well" and added that it's a fun way to earn money for the group's community service projects, such as the youth hunter safety program currently underway.

Over 50 youngsters are expected to graduate from the gun handling course. They are evaluated "every time they take a gun in their hands" as someone is watching them, Schaub said.

## Plechatz joins TKE at Millikin

Roger Plechatz, of Antioch, pledged Tau Kappa Epsilon social fraternity at Millikin University.

Tau Kappa Epsilon is one of five social fraternities at Millikin. Formal initiation ceremonies will be conducted during the spring semester.

Plechatz, a freshman communications major, is a June graduate of Antioch Community High School.

He is the son of Mr. and Mrs. Roger Plechatz of 41147 N. Second, Antioch.

## FIREFIGHTERS

Willy Vermillion and James Cole will join the Antioch Firefighters Assn. as probationary firefighters, according to action by the Antioch Village Board.

## Gosmic

## Signs

### AQUARIUS

(January 20 - February 18) Though all may appear calm on the surface, secret emotional turbulence rumbles through financial or romantic matters.

### PISCES

(February 19 - March 20) Flow with changes in plans, and let others take the spotlight. Envy and obstinacy on your part could work against you now.

### ARIES

(March 21 - April 21) Indecision and vacillation, with a desire for self-indulgence, can be a cause of troubles. Resolve an inner conflict to restore peace of mind.

### TAURUS

(April 22 - May 21) Hard work and effort pay off if tackled now. Enjoy the company of comfortable old friends and closest ties.

### GEMINI

(May 22 - June 21) Avoid overextending yourself financially. Make improvements at a realistic pace. Rome wasn't built in a day, and neither is a better life.

### CANCER

(June 22 - July 23) You may have booked yourself romantically, socially or financially, by playing both ends against the middle with you as the middle!

### LEO

(July 24 - August 23) Ties of friendship, love and affection are a boon to your current situation. Don't forget to show appreciation.

### VIRGO

(August 24 - September 23) You're slightly aggravated with the world and distracted by momentarily upsetting or surprising news.

### LIBRA

(September 24 - October 22) You're social and intellectual side demands stimulation. New ideas and environments are a drive or phone call away.

### SCORPIO

(October 23 - November 22) You can have what you want if you'll find a common ideal, unite on a mutual goal and be prepared to sacrifice perfection for practicality.

### SAGITTARIUS

(November 23 - December 22) Don't let financial pressures or upsets spill over into private affairs. An impulse to escape from responsibilities need a constructive outlet.

### CAPRICORN

(December 23 - January 19) Peace and quiet, some private research time alone, or intimate moments with a loved one are various ways to spend the active week ahead.

## Antioch girls finish first in Lake County meet

In the Lake County Girl's Cross Country Meet Saturday, Antioch finished in first place out of the 18 county schools.

Leading the girls was Gail Plechaty in second place and Carrie Corso in fifth place. Both girls earned All-County Honors for their efforts.

Other Antioch runners were Diane Otten, 16th; Dawn Wucki, 17th; Mary

Mattson, 51st; Pattie Freedman, 53rd and Nancy Harland, 54th.

The girls did a great job after a disappointing finish in the Antioch Invitational the week before.

Every girl ran her best time of the year. Antioch is considered the favorite in the conference and district meets.

In the dual meet Thursday

against Round Lake, Antioch's depth helped defeat the Panthers. With two of the top girls sick, the team ran very well in their 24-33 win. The win increased their record to 6-0 in conference and 10-0 overall.

The next meet is against Lake Zurich at Lake Zurich Thursday, Oct. 18 and Tuesday, Oct. 23, at the conference meet in Round Lake.

## Sequoits spook Grayslake with big homecoming win

Homecoming was just that to Antioch's Sequoits, who won in a 49-0 game over Grayslake.

Every member of the team played in the game and they all played well, said Antioch Coach Steve Wapon.

Throughout the game, Grayslake players played with energy despite their losing battle, Wapon reported.

In the first quarter, Antioch scored seven, followed by 21, 14 and completing the

fourth with seven.

Denis Flaschner made 15 carries for 80 yards, heading off the Sequoit offense.

Mark Pomazak carried eight times for 67 yards as did Howell Fox.

Greg Stevens made 10 carries for 61 yards, followed by Steve Jennrich carrying three times for 21. Bill Martys had six for 17 and Glen Flanagan had three for 8.

Tim Plett pitched a 22 yard pass in the fast moving game.

Making marks for the defense were Phil Bielawski and John Jackson.

Without a doubt, the team was "all charged up for homecoming," Wapon said.

The Sequoits' next team to tackle is Wauconda at its homecoming. "They're tough," and there should be a good battle between the well-matched teams, he said.

As for the conference, "It's up for grabs."

## Kenosha Speedway announces champions

The 1979 season of stock car racing at the Kenosha County Speedway, is now history and final point standings and champions in each of four classes have been announced.

Previously announced were the championships in the super modifieds won by Darrell Dodd, Waukegan and in the late model sportsman, won by Jim Zwirg-zdas, Paddock Lake.

Glen Deswaynes, West Allis won the modified stock car championship on the final night at Wilmot and a late tally of the points gives Lyle Derler, Trevor the spectator stock car championship.

A total of 96 different drivers in all four classes saw the checkered flag in 1979 with Tom Banfield, Kenosha, runner-up in the spectator stock car class, being the winningest driver with 16 wins.

Thirty-one drivers won in this class.

In the late model sportsman, 32 different drivers scored victories with Champion Zwirg-zdas leading all with 13 wins.

Jeff Taylor, Silver Lake, a rookie wound up third in season point standings but led 12 drivers in that group with 12 wins.

Dodd led the super-modifieds with 15 wins and there were 21 different driver winners in this group.

Top point winners will receive trophies and some will receive cash point fund awards at the annual Toft

Awards Banquet.

This season the party will be held at Paty's Lounge, Rte. 173, west of Antioch on Friday night, Oct. 26.

A small number of tickets are still available and may

be purchased from Toft Auto Racing by writing 375 Hardin, Antioch, Ill. 60002 or phoning 395-7353.

Tickets are \$8 each and will not be sold at the door on the night of the party.

## Runners at Parkside

UW-Parkside will sponsor a day-long series of ten national championship cross-country runs Saturday, Oct. 20, designed for runners of literally any age.

The recently-formed Track and Field Assn. of the U.S.A. (TFA/USA), which replaced the old U.S. Track and Field Federation, is the sponsor of the meet and has designated it as the association's first national championship competition in cross-country.

The meet will run, starting at 10 a.m. with a one-mile national title race for girls 10 and under, on the UW-P Parkside campus northwest of the Physical Education Bldg. on County Hwy. JR.

The day will culminate with the TFA/USA men's national championship run, a five mile race, at 2:30 p.m. Numerous teams and clubs from the Midwest and from around the nation have already entered.

Entry fee for all races is \$3 in advance and \$4 at the P.E. Building on the day of the race.

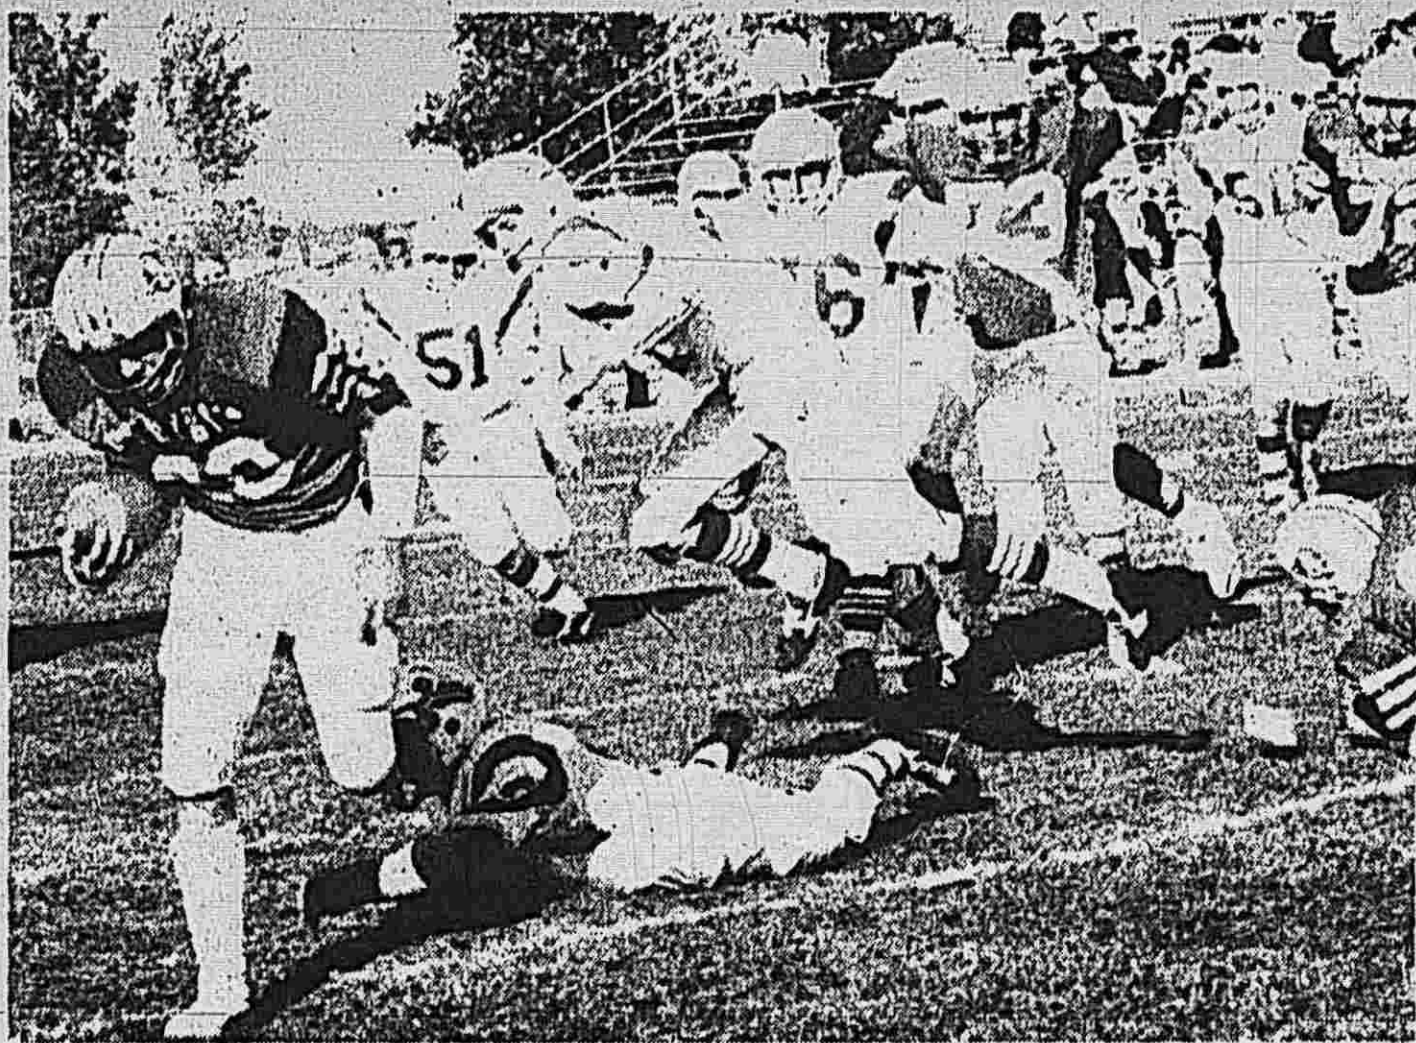

The following races will be included in the day's program: 10 a.m., girls national one-mile race, for

girls 10 and under; 10:20, girls national two-mile race, ages 11-13; 10:50, girls national two-mile race, ages 14-16; 11:20, women's national three-mile race, open and team; noon, boys national one-mile race, for boys 10 and under; 12:20 p.m., boys national two-mile race, ages 11-13; 12:45, boys national two-mile race, ages 14-16; 1:10, sub-masters' national three-mile race, open to men and women ages 30-39; 1:40, masters' Mid-America three-mile race, open to men and women ages 40 and over with special awards for men over 50 and 60; and 2:30, men's national five-mile race, open and team.

Team competition will be held in only two races, the men's and women's national championship open meets. Awards will be given to top placers in every classification and to the top teams in the two team races.

Any runners interested in entering any of the races may register in advance at the Parkside P.E. Bldg. from 8 a.m. to 4:30 p.m. Monday-Friday or on race day at the P.E. Bldg.

For more information, call 414-553-2245.

SEQUOIT SCORE—Antioch High School's Dennis Flaschner carries ball for one of four first half touchdowns in Sequoits 49-0 rout of Grayslake Saturday, Oct. 13. Sequoits, tied for first, travel to Wauconda for 2 p.m. game Saturday, Oct. 20.—Photo by Steve Grillo.

## Field hockey team wins one, loses one

Antioch's varsity field hockey team played at McHenry and lost by a score of 2-1.

Jill Harland scored the first goal of the game to give Antioch a 1-0 lead. McHenry scored with 10 seconds left in the half and the game remained tied until early in the second half when McHenry scored the winning goal.

The Sequoits defeated Barrington by a score of 2-1. Beth Mueller, assisted by Harland put Antioch out in front early in the game. The score remained tied until Barrington scored midway through the second half.

With 10 minutes left, Renee Tetykowski, assisted by Tracy Manuel scored the winning goal. The win was Antioch's fourth, giving them a 4-7 season record.

## Harriers finish 6th in county meet

In the Lake County meet Saturday, Antioch finished in sixth place. Robert Otten and Gary Miller earned All-County Honors with their ninth and thirteenth place finishes.

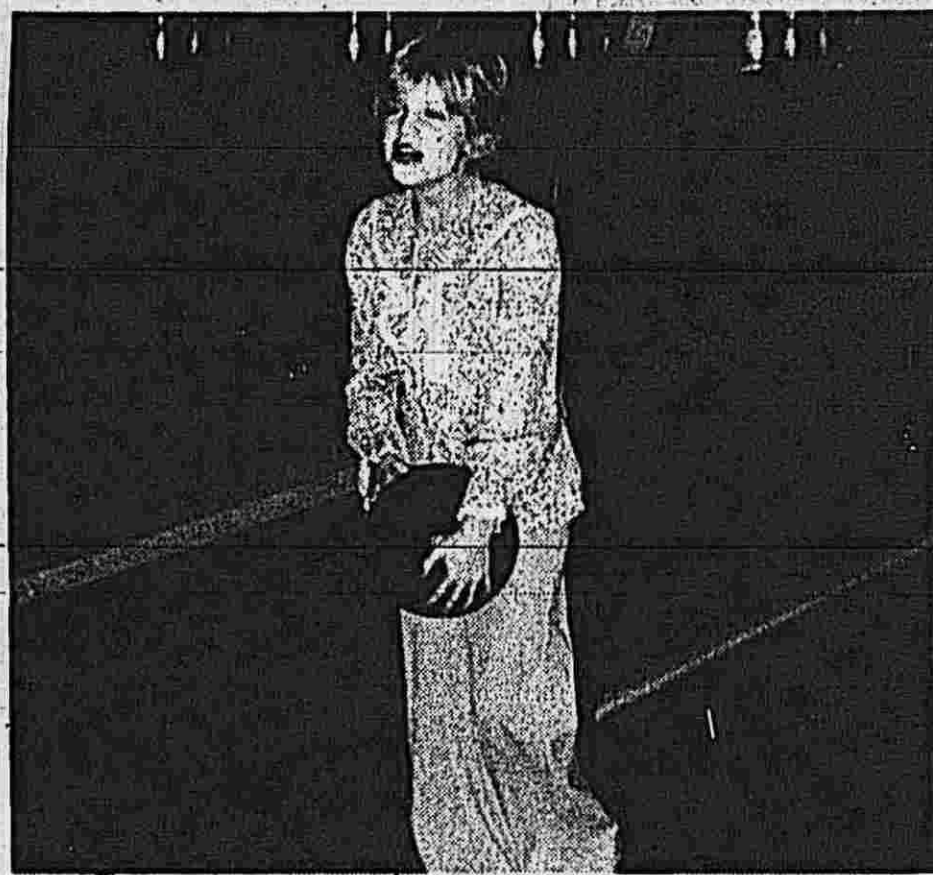

Other runners for Antioch were Dave Unrein, 35th;

Mike Mattson, 51st; Andy Dugenski, 75th; Dave Waters, 80th and Adam Venn, 85th.

In conference action, Antioch's Cross Country team beat a strong Round Lake Team 24-31 to increase its record 6-0 in conference and 10-0 overall.

## Hard work helped Falcons 1st win

Hard work, determination, and desire proved to be the key elements as the Falcons captured their first win by defeating the undefeated Raiders 6-0 in double overtime.

It was a tense game with both teams refusing to yield ground during regulation play. The winning touchdown by Ken Stainski was on an end around play, the extra point being stopped by the fine Raider defense. The Raiders in turn failed to score on their series of downs, giving victory to the Falcons.

The Falcon coaches credited Ken Klean, Mike DiSalvatore, Rik Hanson, Jeff Nielsen, Rick Eckert, Chris Brooks, Keith Georgeson, Lance Beatland, Ken Stainski, Tony Tikys, Ken Leahy, Jim Raven, Chris Georgeson, Glen Critzer, Mike Clark, Jay Topia, Jason Stedl and Tom Wells with fine blocking, excellent tackles, and relentless pursuit of their goal.

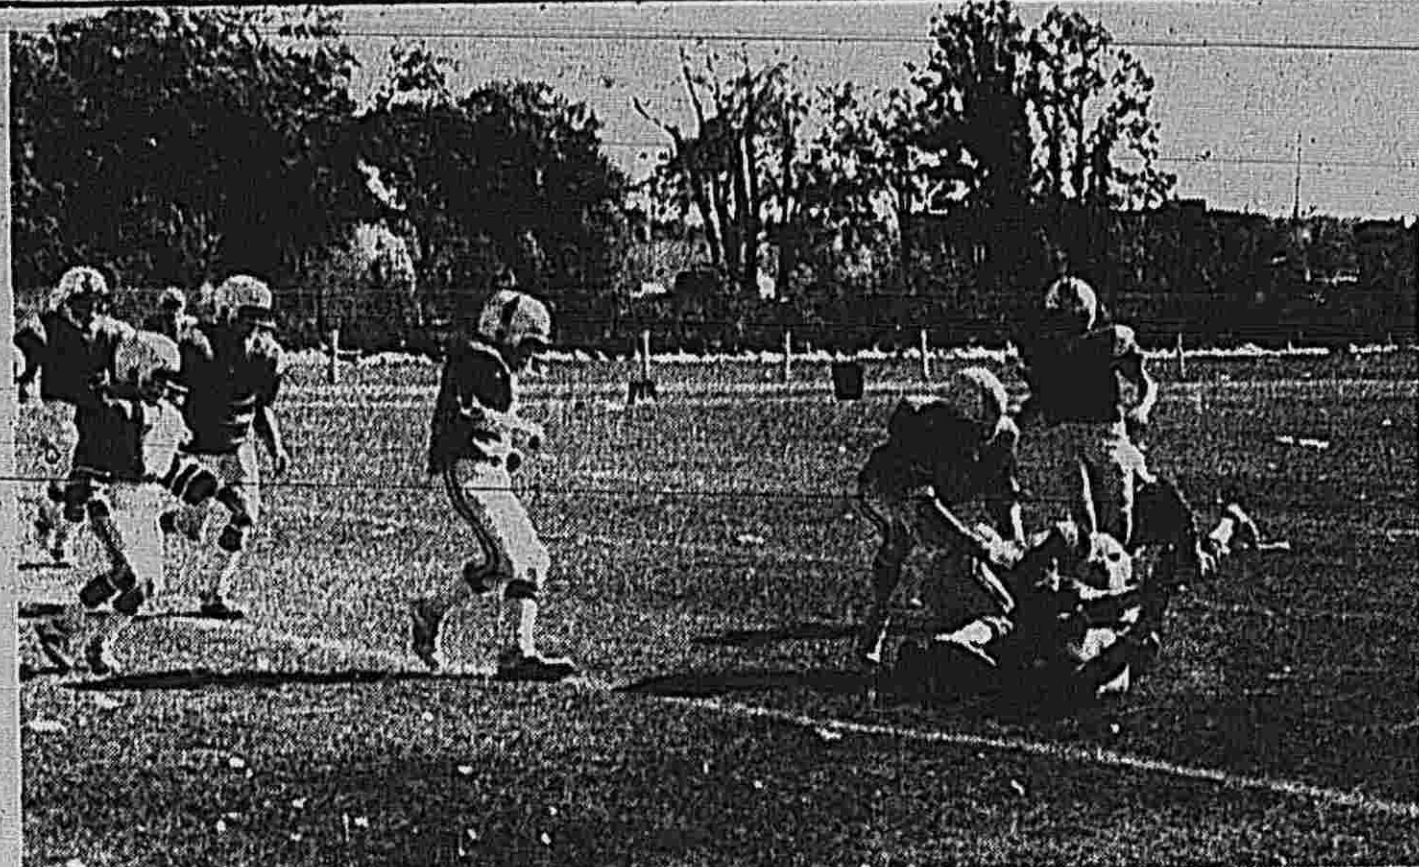

The highlight of the contest was the tremendous reception received by the players from the stands as the crowd expressed their appreciation of the game.

## Letter To The Editor

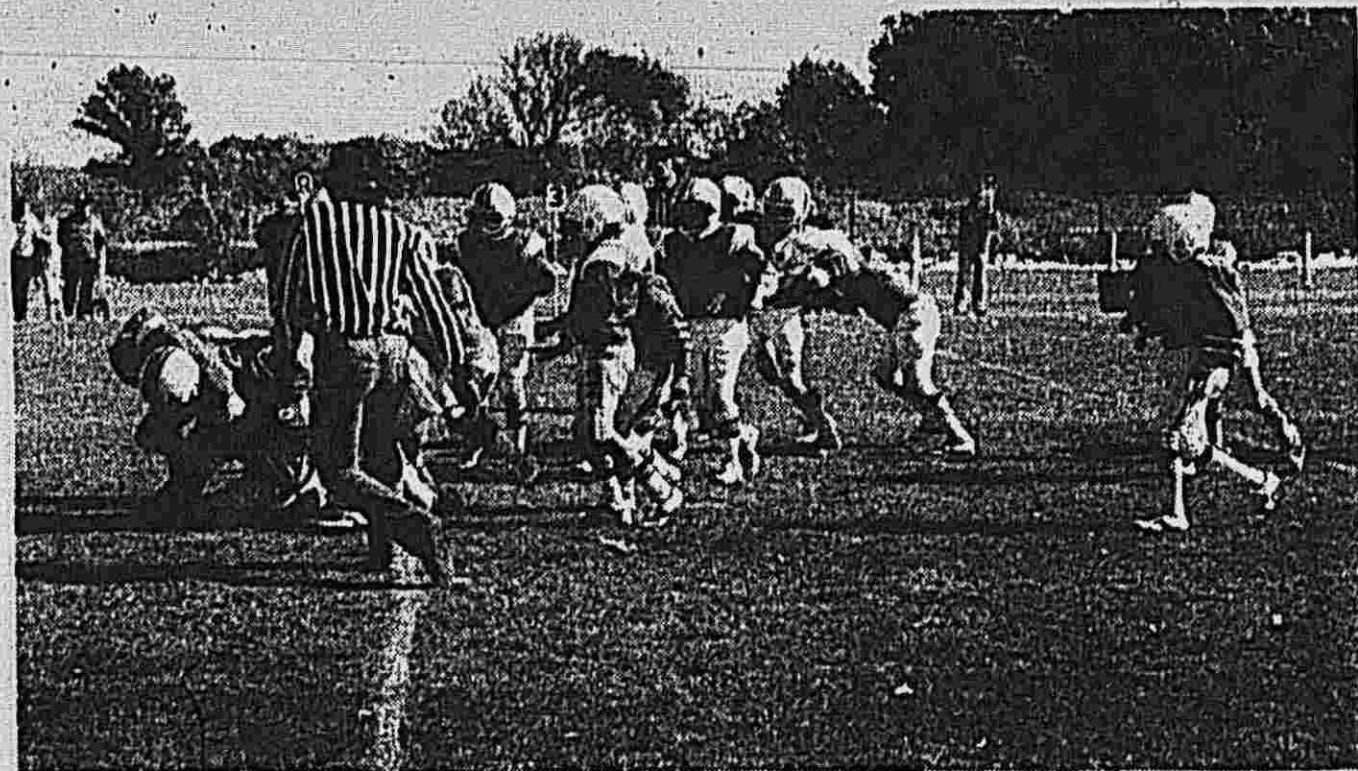

Editor:

The entire Viking organization wishes to thank all the parents of the Falcons, Warriors, and Buccaneers teams for their fine display of enthusiasm and cooperation for making Parents Day a real success.

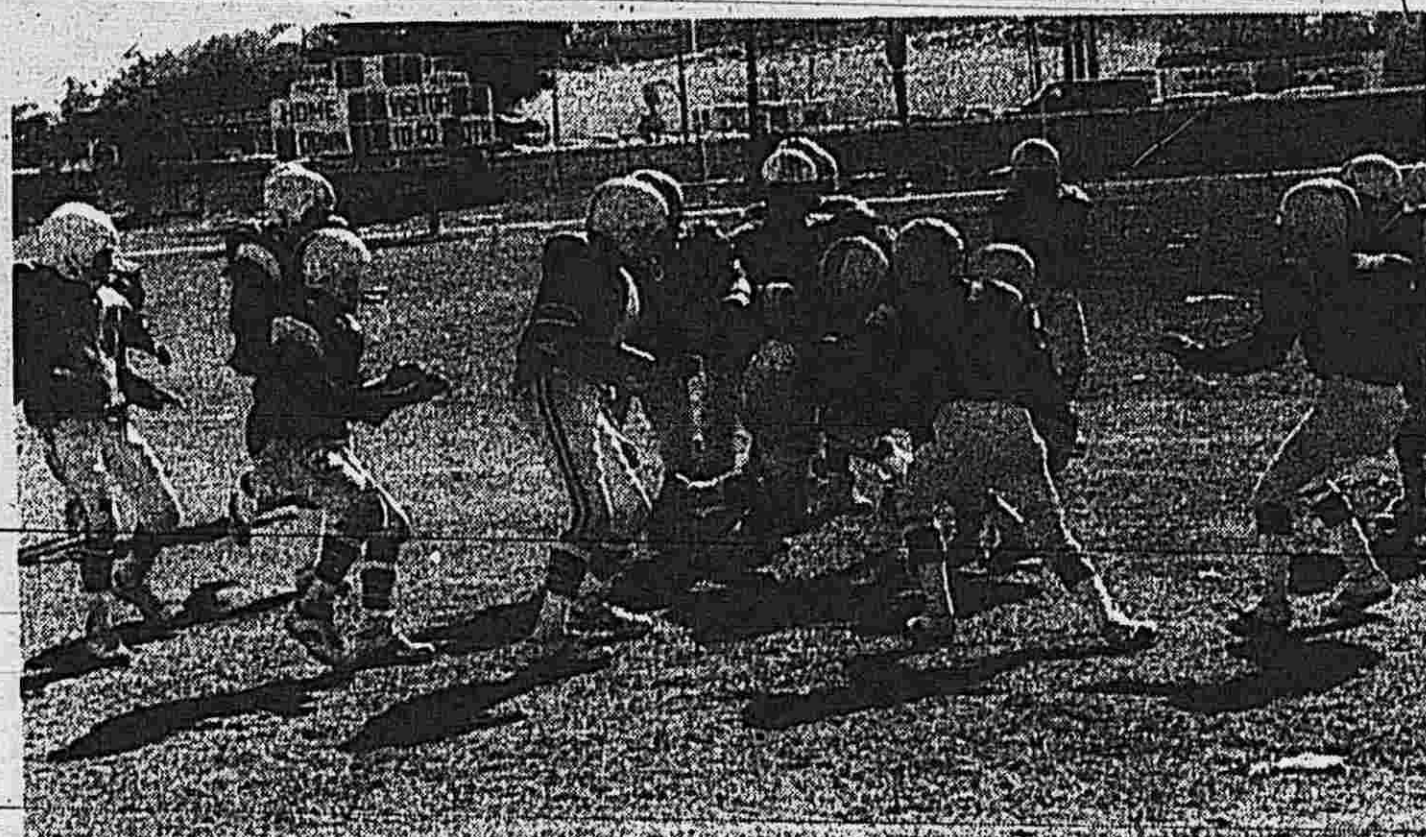

It is a pleasure to see the great turnout of parents to support their boys and cheerleaders and to give the teams a chance to say "thank you" to the parents for all the driving to and from practice, washing of uniforms and just caring.

**BREAK IT UP** — Two Viking football players appear to be entangled after tackle during Falcon-Raider game. It was first win of season for Falcons, who fought a tough Raider defense to win 6-0.

**HITS THE DIRT** — Viking football player is brought down during Falcons-Raiders game, which went into double overtime. Falcons made first win of year 6-0 against undefeated team.

**WE'VE GOT HIM** — Ball carrier falls amid ambitious tackle in Viking football Falcon-Raider game. Falcons made first win of season 6-0.

**YEAH VIKINGS** — Cheerleaders seem to be having fun during Viking Falcon-Raider football game. Forty-two girls have joined ranks of Viking cheerleaders this year.

## Seahawks win over Warriors

The Seahawks came back from their overtime loss last week by beating a stubborn Warrior team 14 to 6.

For the Seahawks, Pat Bruks scored both touchdowns and the extra point. David Lear, Tom Hohman, Rick Jurco, and Steve Pappadakis and the entire front line made tackle after tackle to hold the Warriors to one touchdown.

Jason Johnson and John

Kreplin helped open holes for their backfield men to gain yardage.

The Warriors touchdown was set up in the fourth quarter by Steve Behrendt on a 50 yard sweep down the left side. Ted Larkin then ran 10 yards for the Warriors touchdown. The extra point failed.

The Warriors credited the leadership of Doug Graf, Bill Usry and Bill Mirowski with keeping the game close.

## Vikings take first loss

The Antioch Viking Lightweights were handed their first loss of the season by the Northbrook Mustangs.

Pass interceptions, fumbles and blocked punts all led to the Viking downfall. The only Viking score came on a running play by Gene Elrod. The point after being stopped by the Mustangs.

A few plays later the Mustangs came back to score a touchdown and added the extra point. That made the score 7-6 Northbrook and that score held.

Tom McLellan and Steve Mueller did a fine job with the kicking game, filling in for the injured Dean Elrod.

The Lightweight team would like to thank their cheerleaders, Kim Belli, Lisa DeBenedetto, Beth Garland, Sara Heiselmann, Sherry Napier, Deidre Palmer and Nicole Sciortino for their true dedication and great team spirit.

## Vikings victorious over Northbrook

The Antioch Viking Heavyweight team invaded the Northbrook Mustangs home field and came away victorious with a score of 19 to 6 to keep their playoff drive alive.

Andy Lehn took the opening kick off and returned it 35 yards. Eddy Silva scored on a five yard run. The score was 6-0, the extra point failing. A 50 yard run by Andy Lehn gave the Vikings another six points and an interception by Mark Robers, with a 30 yard return, gave the Vikings 18 points with the extra point by Andy Lehn.

Bryce Willett had a fumble recovery and Andy Lehn blocked a punt.

Credits from the coaches were on the exceptional defense of Jim Kauth, Phil Raven, Jim Walsh, Mark Robers, Paul Scott, and Bryce Willett.

## Luncheon, bazaar is Nov. 3

A Christmas Bazaar and old-fashioned luncheon is planned by the United Methodist Church of Antioch.

Creamed chicken on a biscuit will be featured at the luncheon which will be held from 11:30 a.m.-1:30 p.m. Nov. 3 at the church.

A \$2.50 fee covers the main course, roll, desert and coffee.

The Christmas bazaar and bake sale will be held the same date from 9 a.m. to 4 p.m. Christmas items, a white elephant sale and a silent auction are planned.

## Bucs beat Eagles

The Buccaneers took it to the Eagle defense and won 12-0.

The first touchdown was set up by Jack Davis and Danny Leaf scored the touchdown, 6-0. The point after was stopped.

In the fourth quarter, Jack Davis intercepted a desperation Eagle pass and scrambled down the sidelines for the second score. The point after failed again.

The Eagles coaches credited Jerry Stingle, Robbie Ferrigan, Charlie Hef and Mike Lorenz for good tackling.

## Names in the NEWS

John Fields of Antioch recently pledged Kappa Sigma social fraternity at Millikin University.

Kappa Sigma is one of five social fraternities at Millikin. Formal initiation ceremonies will be conducted during the spring semester.

Fields, a freshman psychology major, is a June graduate of Antioch Community High School where he was a member of the football and swimming teams.

He is the son of James Fields of 621 Parkway, Antioch.

## Deputy sheriffs appointed

Lake County Sheriff Thomas S. Brown announced that eight deputy sheriffs who had been appointed within the last six months, have completed the police training institute of the University of Illinois Basic Law Enforcement Class.

The students, Deputy Martin E. Bertrand, Deputy Rodney F. Brown, Deputy David S. Drushinin, Deputy Richard H. Eckenstahler, Deputy John T. Krempotic, Deputy Richard S. Mulder, Deputy Lawrence F. Oliver and Deputy Portia L. Wallace, have all completed an extensive six week, 240 hour course covering the subjects of criminal law, traffic enforcement, psychology, sociology, amongst various other law enforcement related topics.

These officers, who have all undergone extensive screening prior to their employment, have all been assigned to the highway patrol division under the direction of Chief Of Patrol, Lt. Fred Zeason.

A representative of the Illinois Local Governmental Law Enforcement Officer's Training Board, Ronald A. Hein, brought with him to the graduation, which occurred at the First United Methodist Church of Western Springs, certificates from the Governor's office which certified each student as being a law enforcement officer for the State of Illinois.

## ACHS band Mental health assn. to compete gives report of support

The Antioch Community High School band is one of 19 that will compete for the fifth annual Northern Illinois University Marching Band Competition.

A Class AA band, Antioch will take the field with three other schools at 1:30 p.m. Oct. 20 at Huskie Stadium in De Kalb.

Tickets may be purchased at the gate for \$3 for adults and \$1 for Antioch Community High School students.

The contest is sponsored by the NIU-Marching-Huskie Show Band.

Bands will be judged on the basis of music execution, music general effect, marching and maneuvering execution and marching and maneuvering general effect.

The Antioch Mental Health Assn. met at the home of Mrs. Louise Vos Oct. 2.

Mrs. Ray Lorenz, chairman of the 1979 Cotillion, presented a check for \$2,407.55 to Mrs. Robert Lubkeman, president of the association. All members agreed that the Cotillion was a great success. They wish to thank everyone who donated to it, especially both local banks and the savings and loan.

Mrs. Lorenz agreed to be chairman for the 1980 Cotillion which will again be held at the Abbey on Lake Geneva. The tentative date is June 14.

Volunteers who are working on the Cotillion are Mrs. Ted Costoff, Mrs. Gus Costoff, Mrs. Edw. Warner, Mrs. Robert Lubkeman, Mrs. Ed Vos, Mrs. Sherman St. Pierre, Mrs. Elroy Anderson, Mrs. Homer LaPlant and Mrs. Albert Bucar.

Mrs. Zaida Vos reported that 108 retarded young adults will soon be living at the Lambs Farm in Libertyville. The farm is a special project of The Antioch Mental Health Assn.

Mrs. Doris Johnson reported that the Thrift Shop at 921 Main St. is doing very

well. Members voted to give generous donations to Grove School for handicapped children and Lambs Farm. These donations will be made at Christmas time.

The proceeds from the Thrift Shop and the Cotillion all go to help the retarded in Lake County.

## Fechtners attend conference

Mr. and Mrs. O. Ray Fechtner of Antioch Township traveled to Moline to attend a Baha'i conference and the annual Baha'i District Convention for Northern Illinois.

The purpose of the conference was to provide Baha'is is an opportunity for deepening in the teachings of the Baha'i Faith. The purpose of the Convention is to elect the delegates from this district to represent them at the national convention which will be held this spring at the National Center in Wilmette where the Baha'i House of Worship is located.

The delegates elected at the district convention along with 176 other delegates elected at this time in specific districts throughout the United States will meet at the national convention to elect the nine members to the National Spiritual Assembly of the Baha'is of the United States.

## 'Toma' to talk at ACHS

David Tomas will speak to the ACHS student body in a special assembly in the North Gym on Monday, Nov. 5. He is probably best known for the two television series, *Toma* and *Baretta*, modeled after his life and twenty years on the Newark, N.J. police force.

The reports are that he is a dynamic yet compassionate speaker who talks without notes and reacts to the pulse of his audience. He believes in innate human goodness and strives to bring it out in all of us.

"Toma" was one of 12 children from a poor family growing up on the streets of Newark, a professional baseball player, ex-heavyweight boxer and described as a man referred to by law agencies as "one of the greatest law enforcers of all time."

In addition to the student body eighth grade students from Lake Villa, Prince of Peace, Grass Lake, Emmons, Faith Lutheran, and St. Peter's have been invited. Antioch Elementary and Millburn students have been invited to Grayslake Community High School on Wednesday.

He is scheduled at Round Lake Community High School Monday morning and

at Antioch Community High School in the afternoon. On Wednesday, November 7, he is scheduled in the morning at Grayslake Community High School and in the evening at the College of Lake County.

The program at ACHS which is scheduled in the North Gym at 1:15 p.m. Monday, Nov. 5, will be directed

## Patronal festival is Oct. 17

The Rt. Rev. Chandler Sterling, retired Bishop of Montana, will preside and preach at a Mass to be held in St. Ignatius Episcopal Church, at 7:30 p.m. Wednesday, Oct. 17.

St. Ignatius is celebrating its Patronal Festival and the sixty fourth anniversary of its founding. In addition to Bishop Sterling and Fr. Bessette, the Rector of the church, there will be priests from the Diocese of Chicago and Milwaukee assisting in the service.

The public is welcome to attend the celebration.

at high school students. However, adults are invited to attend.

His presentation at the College of Lake County will be aimed at the adult population, to which the public is invited. After school buses will leave the high school at 3:10 and 4:15 p.m. rather than at the regularly scheduled times.

## Snow equipment purchased

Antioch has found a solution to the impending winter salt shortage for treating icy streets.

The village board approved the purchase of equipment costing \$10,900, which will treat sand with calcium chloride to help melt snow and provide traction.

"We're out on a limb for salt this year," Supervisor of Public Works Walter Shepard reported to the board during a committee meeting. "Either there isn't any or the price is astronomical."

Work time would not be lost because of the treating process, he said. Time that was used for hauling sand throughout the winter would be saved, Shepard added.

The board also accepted a proposal for \$1,200 for snow, ice and critical rainfall reports for a one year period beginning Oct. 31, 1979.

School districts, who will also be using the service, will reimburse the village for two-thirds of the cost.

In other action, the board authorized the mayor and village clerk to sign an agreement for the maintenance of the new Fire Safety Building.

**FIGHT THAT FIRE** — Students in Antioch schools learned about fire safety from Antioch Fire Dept. volunteers and games donated by State Bank of Antioch. Beverly Kramer, fourth grade teacher at Emmons School, left, received games from Ed Roach, State Bank comptroller, right. Antioch firemen Lenny Sakalowski, rear left, and Paul Maplethorpe, rear right, were on hand to check schools for safety, hold fire drill and speak to youngsters. — Photo by Jane Polzin.

## Employees to attend schools

Four village employees will be attending schools soon, according to action taken by the Antioch Village Board.

Glenda Tomaschik, director of Antioch Parks and Recreation and Joe Huber, a foreman in the Dept. of Public Works, will attend a management school at Harper College. The cost of tuition, borne by the village, is \$190 each.

Two Antioch Police Dept. dispatchers will be attending a computer communications conference in Springfield with expenses not to exceed

\$110 each.

Village trustees also authorized pay in lieu of vacation time for two police department employees. The

two have a total of three weeks vacation time which must be used before the end of the year, reported Police Chief Chuck Miller.

## Obituaries

### John G. Magnuson

Funeral services for John G. Magnuson, 75, of Lake Villa, will be held at 1 p.m., Wednesday, Oct. 17, at the United Methodist Church of Lake Villa. Interment will be in Memorial Park Cemetery, Skokie.

Friends may call at the Strang Funeral Home, Antioch, from 3 to 9 p.m., Tuesday, Oct. 16; and at the church from noon, Wednesday, Oct. 17, until time of services.

Mr. Magnuson died Oct. 14 at Victory Memorial Hospital, Waukegan. He had lived in Gurnee before moving to Lake Villa 21 years ago. He was a member of the United Methodist Church in Lake Villa and had worked for Abbott Laboratories in North Chicago for 30 years before retiring in 1967.

Survivors are his widow, Florence; one son, John of Madison, Wis.; two daughters, Mrs. Carl (Janet) Hagstrom of Park City and Mrs. John (Joyce) Sjostrom of Fox Lake; two sisters, Signe Hagen of Marine on St. Croix, Minn. and Louise Ofelt of Tacoma, Wash.; seven grandchildren; and four great-grandchildren. He was preceded in death by one brother, Carl; and by two sisters, Ellen Robson and Alice Anderson.

Friends may make contributions in his name to the United Methodist Church of Lake Villa.

### Robert Motto

Funeral Mass for Robert (Bob) Motto, 76, of Lake Marie, was said Oct. 16 at St. Vincent Church, River Forest.

Mr. Motto died Oct. 11 at St. Mary Nazareth Hospital, Chicago. He had lived in Antioch permanently in 1957 after spending the summer months in Antioch for many years. He was a member of St. Peter Church, Antioch; the Antioch Rotary Club; and the Food and Friendship Senior Center in Antioch. He operated various businesses in Chicago for years and in Antioch had worked at the Antioch Packing House. He and his wife operated the Antioch Travel Agency until his retirement in 1971.

Survivors are his widow, Gwen; one brother, Michael of Elmwood Park; and two sisters, Mrs. Rose Auriema of Westmont and Mrs. Ann Josh of Chicago. He was preceded in death by a sister, Theresa Calderon; and by one brother, George.

Interment was in Mt. Carmel Cemetery, Hillside. Friends may make contributions in his memory to the Antioch Rescue Squad.

Visitation was at Strang Funeral Home, Antioch.

### Louis A. Gerosa

Funeral Mass for Louis A. Gerosa, 57, of Lake Villa, was said Oct. 15 at Prince of Peace Church, Lake Villa.

Mr. Gerosa died Oct. 11 at his home. He had lived in Lake Villa since 1976. He was a member of the Disabled American Veterans and the VFW. He also was a member of Prince of Peace Church and was the co-owner of Cedar Inn in Lake Villa for the past two years.

Survivors are one son, Michael of Round Lake Beach; one daughter, Mrs. Donn (Irene) Baker of Lake Villa; three brothers, Reno of Elm Grove, Wis., Mario of Milwaukee and John of Mount Prospect; and two grandchildren.

Interment was in Hillside Cemetery, Antioch.

Visitation was at Strang Funeral Home Antioch.

## Hearing to improve downtown is Oct. 29

A public hearing on an ordinance proposing a special taxing district on properties in the downtown area will be held at 8 p.m. Oct. 29 in the village hall.

In an effort to improve Antioch's business district, properties on Orchard St., Hillside Ave. and Lake St. will be included in the special taxing district if it is received favorably by the property owners, said Village Clerk Marilyn Stenberg.

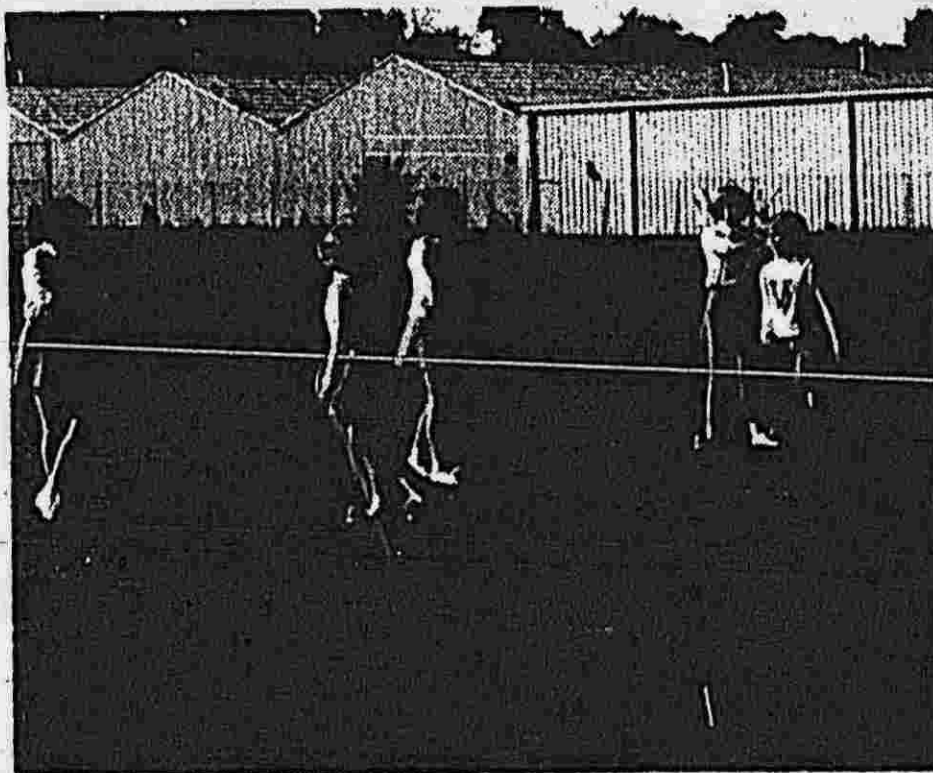

Specific plans for the downtown area are to improve parking and traffic by

widening streets, creating more parking areas and improving existing ones, said Mayor Michael J. Haley.

A court reporter will be present to transcribe the meeting at a recommendation by Village Atty. Andrew C. Lynch.

### FIRST PAYMENT

A first payment of \$630 on well number five was approved by the Antioch Village Board. The payment was made to I.W. Carey Electric and Plumbing Co.

## County museum will seek tax increase approval

The Lake County Museum and its supporters expect to go to the public at the next general election and seek an increase in the tax rate which supports the county's historic collections.

The origin of the Lake County Museum dates back to 1957 when the collection was privately owned and housed in a barn just east of Antioch.

**WHILE THE MUSEUM** quickly became a popular attraction, financial problems among others contributed to its closing in 1965. The Lake County Board, concerned that the community's heritage might be lost forever, acquired the collection at that time.

For over ten years, the collection was stored in a former Army Nike Site located in Lake Zurich and with the exception of temporary displays, was unavailable for public exhibition. Because of the continued public desire to use the collection for educational purposes, the Lake County Board and the Forest Preserve District resolved to permanently locate the museum in a modern facility at the Lakewood Forest Preserve near Wauconda. In 1976, the new Lake County Museum opened to present and preserve Lake County's rich cultural heritage.

**SINCE ITS opening** in 1976, over 40,000 people have visited the museum and attendance grows at an annual rate of about ten per cent. Last year over 14,000 visitors, half of them school groups, viewed the exhibits. Public hours have been expanded to seven days per

week with Monday a no-fee day for County residents.

The Lake County Museum is a part of County Government and is administered by the Lake County Forest Preserve District. It receives the bulk of its financial support from a tax levied especially for that purpose. The rate is .002 per cent (or 2 cents per \$1,000) of the assessed property value of the county. The levy for fiscal year '78/79 was \$60,000.

**THESE FUNDS** are used to support a full-time staff of four and one part-time employee and provide for operational expenses. Additional support comes from admission fees (50 cents for adults, 25 cents Senior Citizens and children) contributions from community groups, donations and grants from federal, state and local governmental units.

Two attempts to raise the museum's tax levy from .002 per cent to .004 per cent failed in 1975 and 1978. The additional funds are necessary to permanently support a full-time staff. Current staff positions are not permanently funded, consequently, the museum's long term ability to meet the demands made upon its services are in jeopardy.

Despite cuts in the federally funded CETA program, and the loss of the most recent referendum, the museum has abided by the wishes of the Lake County Community and board to operate within the \$60,000 budget.

**PRESENTLY, THE** museum has endeavored to provide an array of quality services to an expanded

audience and operate within the budget guidelines. However, as inflation continues to erode the purchasing power of the current tax rate, requests for services and attendance grows; the museum will face a critical budget shortfall soon. This is the reason the Lake County Museum will again ask the community to support an increase in its tax levy from .002 per cent to .004 per cent at the 1980 general election.

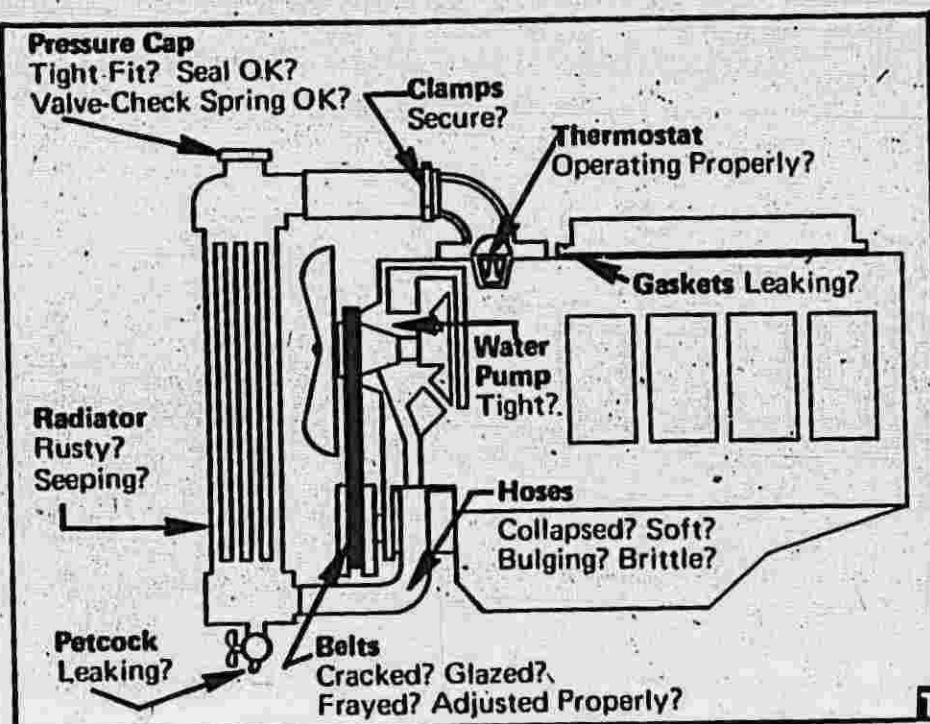

As stated previously, the current tax rate of .002 per cent represents a cost to a property owner of two cents per \$1,000 of assessed property value. Based on the average assessed value, not market price, of a Lake County home of \$30,000, an owner pays 60 cents per year to operate the museum. Calculated another way, the operation of the museum costs each family member (average of four members) 15 cents each year. Doubling that rate would cost each family member 30 cents per year.

The increased tax levy would be used for one purpose — creation of permanent staff positions in order to provide the services requested by the community and manage, preserve and present our community's priceless heritage.

No new buildings or acquisitions are planned with the increased revenues. Permanent staff positions are required to maintain a quality educational service.

**THE MUSEUM** and its supporters are beginning to organize a campaign structure at this time to secure passage of the referendum. The museum requests that anyone interested in preserving its rich cultural heritage and providing a quality educational resource should contact the Museum Director, Gary F. Keller, to volunteer to work on the campaign. The Lake County Museum's telephone number is 526-7878 and the museum is open daily from 8:30 to 4:30 p.m. and weekends from 1 to 4:30 p.m.

## YOU CAN CHECK YOUR CAR'S COOLING SYSTEM

It's anti-freeze time once again and unless your car is less than two years old you should be thinking about draining, flushing and adding fresh anti-freeze.

It's a relatively easy procedure for even the most inexperienced car owner, says AUTOMOTIVE COOLING SYSTEM INSTITUTE. But it is a vitally important procedure to the health and welfare of your car and your pocketbook. Waiting too long to check the cooling system can be very expensive.

Not only is there the danger of having inadequate protection when the super-freeze comes along, accord-

ing to ACSI engineers, there also is the concern about leakage from connections in the cooling system which have been overlooked.

The accompanying illustration points to the components to be checked as part of a fall cooling system check. For further information on how you can check and service your car's cooling system, write for ACSI's free booklet, "QUICK COURSE IN CAR CARE".

Send a stamped, self-addressed business size (number 10) envelope to Automotive Cooling System Institute, 222 Cedar Lane, Teaneck, New Jersey 07666.
